

NCPBL Professional Division-Foundation, Inc. Board of Directors Member Nomination Form

Thank you for considering serving on the North Carolina Phi Beta Lambda Professional Division-Foundation, Inc. Board of Directors. Becoming a member of the Board takes a great deal of dedication to the organization as we lead NCPBL Professional Division-Foundation, Inc. in both planning activities and raising funds. Board member expenses for meetings and conferences (including lodging, meal, travel, and registration fees) are most often self-paid. Please consider giving back to NCPBL by serving for a three-year Board position. Representatives of the current Board officer team will be in contact for an interview process prior to the State Leadership Conference. Thank you for considering this important supporting role of North Carolina Phi Beta Lambda.

Name: _____
